Navy Liaison Officer
National Personnel Records Center
9700 Page Blvd.
St. Louis, MO. 63132

Dear Sir:

This request is made pursuant to the federal Freedom of Information Act, 5 U.S.C. 552.

Please send me any and all files possessed by the Personnel Records Center that pertain in any fashion to former Lt. LaFayette Ronald Hubbard of the U.S. Naval Reserve. Hubbard was born on March 13, 1911, and died in January of this year. A copy of his death certificate is attached. Hubbard entered naval service in July 1941 and was discharged in October 1950.

Hubbard's death, of course, makes accessible records that have previously been withheld as confidential under the FOI and privacy acts. The privacy rights of Hubbard's surviving relatives must be considered in the narrowest of terms and cannot be used as an excuse to provide only the barest details of Hubbard's military service. Remember, the applicable statutes require that you adopt a view favoring the broadest possible public disclosure.

Moreover, should you withhold any documents, you must cite the precise statutory exemption for your refusal. As you know, the law requires also that "any segregable portion of a record shall be provided...after deletion of the portions which are exempt by law." Please be advised that, if necessary, the Los Angeles Times is prepared to pursue all available legal avenues to obtain the records herein sought. If you refuse to disclose certain documents, and a court overturns your decision, the court is empowered to award the person seeking the documents attorney fees and court costs.

My request includes, but is not limited to, Hubbard's military personnel records, his medical personnel records, a list of all medals he was authorized to wear at the close of World War II and all official inquiries and correspondence pertaining to Hubbard's military performance. This would include his "reports on the fitness of officers" and the report of a naval board of investigation concerning the firing of shots near the Mexican coast by a vessel under Hubbard's command. I believe this report was dated Dec. 1943.

Los Angeles Times

Navy Liaison Officer--Page 2

Please also send all documents concerning Hubbard's removal from command positions as a result of possibly being unfit. In addition, it is imperative that you provide documentation that would either support or refute contentions that the Navy maintained at least two separate and different personnel files on Hubbard, one being a cover for his intelligence work. I ask that you also either confirm or deny an assertion by Hubbard that his naval records state: "This officer has no neurotic or psychotic tendencies whatsoever."

I additionally request all records regarding Hubbard's involvement in a naval investigation of John Whiteside Parsons, a rocket fuels expert, or whether such an investigation was ever undertaken during the mid 1940s.

I understand that you probably have a backlog of requests. However, the requested information is of a timely nature for a newspaper article and I would be grateful for any help you could provide in expediting this matter. On Aug. 6, I mailed a similar request to the director of the National Personnel Records Center, which apparently was lost. Understandably, those things happen, but it has made a prompt response to this request all the more important.

Thank you for your assistance. I promise to pay reasonable search and duplication fees in connection with this request. Please bill the Los Angeles Times, Times Mirror Square, Los Angeles, Ca. 90053. I look forward to receiving your reply within 10 business days, as required by law.

Very Truly Yours,

MEMORANDUM FOR LT DAN RIGTERINK, NMPC 06P

SUBJ: LAFAYETTE RONALD HUBBARD; FOIA REQUEST OF

Ref: (a) Mr Joel Sappell's request of the 9th of September 1986

1. Reference (a) is forwarded as a matter under your cognizance. The major difficulty that this officer has with the Hubbard case is that we do not have copies of the letters sent out in the past in reply to the numerous FOIA requests which have been done. It is very difficult for us to respond to this type of request when those papers are not filed down in the record.
2. The second area of difficulty revolves around Mr Hubbard's Naval Medical Record. Our records indicate that this is a combined record (meaning that both the Personnel and the Medical Records are stored together) and that Mr Hubbard's Naval Medical Record was most probably forwarded to Brian Robertson on the 25th of July 1986, but it was not noted on our control card. We know that when the record was returned to this office only the Personnel Record was returned and the Medical Record was not there. Could Brian have sent the Naval Medical Record to the Naval Medical Command for a response? This we do not know. Have looked in all locations where Mr Hubbard's Naval Medical Record could be stored out here and it is not here.
3. Finally, the statement that "dead people don't have no privacy" is a difficult one for us to clarify out here into a working procedure. If you could provide further direction here, it would be most helpful.
4. Call if there are any questions on the above, or if you find Mr Hubbard's Naval Medical Record. As you can see by my response to Mr Sappell, I am still on the hook for that Medical response.

Mr Sappell:

As confirmed by phone conversations with you on the 16th of September, this officer has received your letter, made under the provision of the Freedom of Information Act, of the 9th of September which desired a complete copy of all files on Mr Lafayette Ronald HUBBARD.

Due to the nature of your request, it is being forwarded to the following activity for final response.

Commander
Naval Military Personnel Command
Privacy Act Coordinator
Washington, D. C. 20370

You should obtain a response from that office at the earliest possible date. Difficulty is being experienced locating Mr Hubbard's Naval Medical Record from the files of the National Personnel Records Center. Medical questions will, therefore, have to await the discovery of the present location of that record.

Re: Freedom of Information Act Request

This is a final response to your Freedom of Information Act request of September 9, 1986, which was forwarded to us by Navy Liaison Officer, National Personnel Records Center. Your request asks for copies of all records pertaining to the late Lafayette Ronald Hubbard.

Enclosed is the fourth and final installment of photocopied records. You have now been provided with a copy of all records we hold, including all personnel and medical records, correspondence concerning performance, reports of fitness, and a board of investigation. One item has been deleted from the board of investigation, however, as it relates to an adverse administrative action against a third party. This information is exempt from disclosure as a "clearly unwarranted invasion of personal privacy." 5 U.S.C. § 552(b)(6) (1982). 690 pages have been duplicated, so please forward a check for sixty-nine (69) dollars, payable to the Treasurer of the United States, to the above address, attention Code MMPC-06P. This amount is computed in accordance with the fee schedule set forth in title 32, section 701.45, Code of Federal Regulations (1986).

Because your request has been partially denied, you have the right to appeal this determination in writing to the Secretary of the Navy. See Secretary of the Navy Instruction 5720.42C, Department of the Navy Freedom of Information Act Program, 32 C.F.R. § 701.8 (1986). Such an appeal, if made, should be addressed to:

Judge Advocate General (Code 14)
Navy Department
200 Stovall Street
Alexandria, VA 22332-2400

The appeal must be received by that office within 45 days from the date of this letter in order to be considered, clearly state that it is an appeal from a denial under the Freedom of Information Act, and include a copy of this letter and the original request.

Please be advised that I am the official responsible for the denial of your request. If you have any questions concerning the

foregoing, Lieutenant Risterink, telephone number (202) 694-3390,
is familiar with your request and will be glad to help you.

Sincerely,

R. E. COYLE

INSTRUCTIONS

1. Information needed to locate records. Certain identifying information is necessary to determine the location of an individual's record of military service. Please give careful consideration to and answer each item on this form. If you do not have and cannot obtain the information for an item, show "NA," meaning the information is "not available." Include as much of the requested information as you can. This will help us to give you the best possible service.

2. Charges for service. A nominal fee is charged for certain types of service. In most instances service fees cannot be determined in advance. If your request involves a service fee you will be notified as soon as that determination is made.

3. Restrictions on release of information. Information from records of military personnel is released subject to restrictions imposed by the military departments consistent with the provisions of the Freedom of Information Act of 1967 (as amended 1974) and the Privacy Act of 1974. A service person has access to almost any information contained in his own record. The next of kin (see item 4 of instructions) if the veteran is deceased and Federal officers for official purposes are authorized to receive information from a military service or medical record only as specified in the above cited Acts. Other requesters must have the release authorization, in item 5 of the form, signed by the

veteran or, if deceased, by the next of kin. Employers and others needing proof of military services are expected to accept the information shown on documents issued by the Armed Forces at the time a service person is separated.

4. Precedence of next of kin. The order of precedence of the next of kin is: unremarried widow or widower, eldest son or daughter, father or mother, eldest brother or sister.

5. Location of military personnel records. The various categories of military personnel records are described in the chart below. For each category there is a code number which indicates the address at the bottom of the page to which this request should be sent. For each military service there is a note explaining approximately how long the records are held by the military service before they are transferred to the National Personnel Records Center, St. Louis. Please read these notes carefully and make sure you send your inquiry to the right address. (If the person has two or more periods of service within the same branch, send your request to the office having the record for the last period of service.)

To Whom It May Concern:

This letter is a formal request, under the Freedom of Information Act, for the naval record of:

Lt. Lafayette Ronald Hubbard
19 July 1941 commissioned Lt. junior grade.
24 Nov. 1941 ordered to active duty.
5 Dec. 1945 honorable discharge.

Where and when were Lt. Hubbard's postings?

Did he see ever see action with the enemy during his naval career?

Was he ever wounded?

When discharged was he blind and cripple?

Were his reviews by superiors generally good, poor, or bad?

✓ What medals did he earn?

✓ What was his rank upon his discharge?

Did the Navy ever contact Lt. Hubbard after his discharge requesting his research into the workings of the human mind?

Did the Navy ever use Lt. Hubbard as their spy to infiltrate a satanic cult operating in Pasadena, 1945-46?

Did the Navy ever state that Lt. Hubbard was fit for active duty anytime after his discharge in 1945?

Thank you for your prompt attention in these matters.

Dear Senator Robb:

I am writing to request your assistance in obtaining the military records of L. Ron Hubbard (aka Lafayette Ronald Hubbard; b. 1911; d. 1986). His name may be familiar to you as the founder of Scientology and Dianetics.

Many claims are made about his background. Specifically, that he served as a "commander of corvettes" and that between May 18-21, while commanding the PC185, he sunk a Japanese submarine off the Oregon coast near Cape Lookout.

In May of last year I wrote to the Bureau of Naval Personnel at the Arlington Annex. In August, I received a reply from the National Personnel Records Center in St. Louis. This letter stated that they did not have the records, which had been loaned to the Bureau of Naval Personnel in Washington, and suggested that I either contact them (BNP) directly or contact teh NPRC in a few months.

I have written to both offices and have not received any reply from them.

Given your involvement in national defense matters, there is no doubt in my mind that must understand the need for factual representation of a military history, especially when it is used as part of the "advertising" for Dianetics and Scientology. In addition to various claims (as I have stated above), Scientology also distributes a document called the "Prouty Affidavit"; in this document, Colonel

L. Fletcher Prouty claims that Hubbard's records were altered to conceal his performance of intelligence duties.

In any case, it would be interesting and useful to know what the truth is, and to know it once and for all. I cannot help but think that an inquiry from your office to whatever agency holds Mr. Hubbard's file (which should be readily available to the public) will produce the desired results.

Yours,

Patrick Jost

Dear Senator Robb:

Under the provisions of Privacy Act of 1974, copies of military personnel records are not releaseable without the written consent of the veteran concerned. However, under the Freedom of Information Act (FOIA), the Department of Defense (DOD) has determined that the enclosed items of information for Mr. Hubbard are released in response to Mr. Jost's request made under FOIA. This information was collected and verified by the Bureau of Naval Personnel (formerly the Naval Military Personnel Command). The Privacy Act of 1974 does not permit the release of personal information to the public without the authorization of the veteran concerned. Therefore, personal identifying data has been deleted from the attached documents.

We hope this information will be helpful to your constituent.

Dears Sir:

I am requesting the Naval records of LaFayette Ronald Hubbard who died in 1986. He was the founder of a religious cult known as Scientology. He made many fantastic claims about his World War II record. I am hoping that his military records will verify his claims or otherwise disclose the truth.

He claimed in several writings that he was a Naval officer in the Pacific Theater in 1942. I have no other specific information. If you need additional information, please contact me and I will try to assist.

Thank you,

RELEASE OF INFORMATION

RE:

NOTE: PLEASE BE SURE TO ENCLOSE THIS FORM AND ALL OF THE ATTACHED PAPERS IF YOU WRITE TO US AGAIN ON THIS SUBJECT.

THE REPLY TO YOUR INQUIRY WILL BE FOUND IN THE CHECKED ITEM(S).

Under the provisions of the Privacy Act of 1974, we must have the written consent (signature) of the individual whose records are involved before considering your request. If the individual is a minor dependent of a veteran, the parent or legal guardian must sign the release. If the person is mentally incompetent, the legal guardian must sign the release. (The legal representative or guardian should send us a copy of the court appointment.) Although the Privacy Act does not apply to the records of deceased individuals, Department of Defense instructions indicate that we must have the written consent of the next of kin if the individual is deceased. For the purposes of the release authorization, the next of kin is defined as any of the following: unremarried widow or widower, son, daughter, father, mother, brother, or sister. The signature must be dated if the veteran or deceased veteran's next of kin wants the records or information released to someone else. This authorization will be valid for one year.

The veteran may possess a copy of the DD Form 214, Report of Separation. This form is given to each person completing active duty, and contains a summary of the veteran's military service. If a copy is not available from the veteran, or if the copy does not contain the specific information you need, please be sure to include the veteran's signed authorization when you resubmit your request.

The authorization to release the records/information must have been signed less than a year ago. Please provide a newly-dated signature and we will issue a response as soon as possible. We regret any inconvenience.

We cannot honor an authorization that has been passed from one company/agency to another. Please send us an authorization signed by the veteran that specifically names your agency/company as entitled to receive copies or information from the veteran's military file.

If your company/agency is the duly authorized representative of the organization named in the veteran's authorization, you may satisfy the release authorization requirements of this Center by sending us a letter from the authorized organization that names your company/agency as its representative.

The following is suggested as an example of an acceptable authorization: "I authorize the National Personnel Records Center, or other custodian of my military service record, to release to (your name or that of your company/organization) the following information and/or copies of documents from my military service record." Then complete the authorization by specifying the information and/or documents(s) requested.

We are unable to determine what information or documents(s) you want. Please send us a detailed statement outlining the specific information or document(s) needed.

The information or documents(s) you have requested may be released only under certain conditions. Please explain the purpose for which you intend to use what you have requested.

If legal proceedings are pending, please inform us of the nature of the action and whether the United States is a party.

The military record needed to answer this inquiry is not in our files. If the record were here on July 12, 1973, it would have been in the area that suffered the most damage in the fire on that date and may have been destroyed. Alternate record sources are available which often can be used to reconstruct the information or document required. Please complete the attached form(s) as thoroughly as possible and return it (them) to this Center.

Birth certificates for persons born in the United States usually can be obtained from the office that maintains vital statistics/records in the state in which birth occurred. If the birth occurred outside the United States, the certificate may be available from Passport Services, Correspondence Branch, Department of State, 1111 19th St., NW., Suite 510, Washington, DC 20522-1705.

Dear Sir,

I have recently obtained a purported Notice of Separation record which I believe to be a forgery, as it differs considerably from that provided by the Bureau of Naval Personnel through FOIA. It lists World War II awards ("Br. & Dtch. Vict. Meds.") and other qualifications which simply do not exist. It is being represented as a true and accurate record originating with the Bureau (and your copy is claimed to be a forgery manufactured by the US Navy). I enclose a copy of the disputed record for your interest.

I am trying to corroborate certain other details given in the purported record, in particular the following points:

1. The record refers to *USS Howland*. I can find no record of this in the *Dictionary of American Fighting Ships*, but I believe it may have been the name given to a naval receiving station on Long Island, NY during World War 2. Can you confirm this?
2. The record lists Lt L. R. Hubbard USNR 113392 as being the Commanding Officer of the *USS Howland*, though the period is not given. Do you have a record of the *Howland's* COs during the period 1 July 1941 through 31 December 1945?
3. The record purports to have been signed by Lt Cdr Howard D. Thompson USNR, presumably on or around the date given on the document, 6 December 1945. Presumably Lt Cdr Thompson would have been assigned to the Bureau of Naval Personnel, given the supposed provenance of the record in question. Can you confirm his existence, did he serve in the Bureau in Nov-Dec 1945 and can you give me any details of his service record?

I would be grateful if you could action these requests under the terms of the Freedom of Information Act. I am willing to pay fees up to the value of \$60.

If you wish any clarifications from me, I can be contacted at the address above or via the following:

Telephone: (44) 171-807-8633 - 0900 through 1700 weekdays
Facsimile: (44) 171-218-1562 - ditto (mark "for attention of Mr. Owen")
E-mail: chriso@lutefisk.demon.co.uk

Any assistance you could render would be most gratefully received.

Yours faithfully,

Chris Owen

RESPONSE TO FREEDOM OF INFORMATION ACT REQUEST

DATE 6-10-99

Re: Hubbard, Lafayette R. 113392

THE REPLY TO THE INQUIRY WILL BE FOUND IN THE CHECKED ITEM(S). IF YOU WRITE TO US AGAIN ON THIS SUBJECT, PLEASE RETURN YOUR ORIGINAL REQUEST AND THIS FORM.

Copies of requested military personnel medical records are attached.

PLEASE GUARD THE ATTACHED DOCUMENTS CAREFULLY AGAINST LOSS OR DAMAGE. WE SUGGEST YOU MAKE COPIES. WE REGRET IF ANY OF THE ATTACHED PHOTOCOPIES MAY BE OF POOR QUALITY, BUT THEY ARE THE BEST COPIES OBTAINABLE.

The attached separation document may include the following information: authority for separation, reason for separation, reenlistment eligibility code, and separation (SPN/SPD) code. If you require a copy of the separation document that does not contain the above information, you may request a deleted copy from this Center.

The Privacy Act of 1974 does not permit the release of social security numbers or other personal identifiers to the public without the authorization of the veteran concerned. Therefore, personal identifying data as they relate to other persons have been deleted from the attached documents.

There is a question as to the releasability of the information requested. The Freedom of Information Act requires that in such cases the request be directed to the proper official of the agency having legal custody of the records. This Center has only physical custody of military personnel and medical records. Legal custody, as well as control of access, is retained by the branch of service which originated the records.

On _____ this Center received your request under the Freedom of Information Act. We find that the pertinent record is not available as it has not yet been transferred to this Center / has been loaned to the originating agency.

- Therefore, we have forwarded your request to the address checked below. Send any further correspondence there.
- Therefore, you should address your request to the address checked below.
- A response to the portion of your request about which there is no question of releasability is enclosed.

The medical records you request / the documents you request pertaining to discharge have been lent to the Veterans Administration and copies may be obtained from the VA office shown below. Refer to claim number _____.

Your request indicates that you are planning to file a claim with the Veterans Administration. The VA uses original medical records not photocopies, to process claims, and the VA already has your medical records. Nevertheless, if you still would like to have photocopies for your own use, please request them from the VA office shown below.

Issuance of medals / awards is a function reserved by the individual service departments. Therefore, that portion of your request seeking medals / awards has been referred to the office shown below, and further correspondence on this subject, if any, should be addressed to that office.

LOCATION OF MILITARY RECORDS

The various categories of military service records are described in the chart below. For each category there is a code number which indicates the address at the bottom of the page to which this request should be sent.

1. Health and personnel records. In most cases involving individuals no longer on active duty, the personnel record, the health record, or both can be obtained from the same location, as shown on the chart. However, some health records are available from the Department of Veterans Affairs (VA) Records Management Center (Code 11). A request for a copy of the health record should be sent to Code 11 if the person was discharged, retired, or released from active duty (separated) on or after the following dates: ARMY--October 16, 1992; NAVY--January 31, 1994; AIR FORCE and MARINE CORPS--May 1, 1994. Health records of persons on active duty are generally kept at the local servicing clinic, and usually are available from Code 11 a week or two after the last day of active duty.

2. Records at the National Personnel Records Center. Note that it takes at least three months, and often six or seven, for the file to reach the National Personnel Records Center (Code 14) in St. Louis after the military obligation has ended (such as by discharge). If only a short time has passed, please send the inquiry to the address shown for active or current reserve members. Also, if the person has only been released from active duty but is still in a reserve status, the personnel record will stay at the location specified for reservists. A person can retain a reserve obligation for several years, even without attending meetings or receiving annual training.

3. Definitions and abbreviations. DISCHARGED--the individual has no current military status; HEALTH--Records of physical examinations, dental treatment, and outpatient medical treatment received while in a duty status (does not include records of treatment while hospitalized); TDRL--Temporary Disability Retired List

4. Service completed before World War I (before 1929 for Coast Guard officers). The oldest military service records are at the National Archives (Code 6). Send the request there if service was completed before the following dates: ARMY--enlisted, 11/1/1912, officer, 7/1/1917; NAVY--enlisted, 1/1/1886, officer, 1/1/1903; MARINE CORPS--1/1/1905; COAST GUARD--enlisted, 1/1/1915, officer, 1/1/1929.

Dear Dr. Nienhuys:

This is in response to your Freedom of Information Act request, dated April 17, 2000, directed to Willie J. Bostick, Chief, Navy Reference Branch. Mr. Bostick is no longer assigned to the National Personnel Records Center, and your request has been referred to me for response. In reply to your questions, I can supply the following information:

1. We cannot supply you with a complete copy of the NAVPERS 553, Notice of Separation from the U.S. Naval Service, issued to Lafayette Ronald Hubbard on February 16, 1946. The National Personnel Records Center is the physical custodian of the military personnel records in our holdings, but legal custody remains with the individual military service departments that retire the records to us. What this means is that, in response to a third-party request such as yours, we are only allowed to release certain items of information from the records. We are not allowed to release complete or undeleted copies of documents, however, without the authorization of the veteran, or the veteran's next-of-kin. We suggest, therefore, that you contact the office listed below for a response to that portion of your request relating to a complete copy of the NAVPERS 553:

Bureau of Naval Personnel
Liaison Office, Room 5409
9700 Page Avenue
St. Louis, MO 63132-5100

2. We could find no document, a NAVPERS 553 or equivalent, issued to Mr. Hubbard at the end of the two-week period of Active Duty which he served from September 22, 1941, to October 6, 1941. We have, however, supplied a copy of a document from Mr. Hubbard's record indicating official notice of this period of duty.

3. We have been unable to identify a Howard D. Thompson who served as an officer in 1945 at the U.S. Naval Separation Center in San Francisco, California. We have reviewed the Register of Commissioned and Warrant Officers of the United States Naval Reserve for 1944. There was no Howard D. Thompson listed. We have no Register for the year of 1945, but we did check two other sources, including a microfilm listing of all Naval Officers. We found no evidence of a Howard D. Thompson who served as an officer in 1945.
4. We have also reviewed the Register of the Commissioned and Warrant Officers of the United States Navy and Marine Corps for the years of 1911 and 1923. There was no Howard D. Thompson listed in these publications.

I hope that the information we have provided will be of assistance to you.

Sincerely,

CHARLES PELLEGRINI
Management Analyst

April 17, 2000

Dear Sir,

I have been shown an electronic copy of the Notice of Separation of Lafayette Ronald Hubbard, born 13 March 1911, serial number 113392.

This copy shows only sections 16 through 44 of the Notice of Separation. Section 17 mentions as date of entry into active service: 24 November 1941. In section 35 it shows the name and signature of J.C. Rhodes, and under section 34 the social security number 568-09-9422.

However, neither the name nor the signature of the individual concerned is mentioned, and also the date of the document (section 47) is missing in the copy shown to me.

I have been shown by followers of the late L.R. Hubbard a Notice of Separation that seems to be entirely bogus. For example it is signed by a 'Lt. Cmdr. USNR Howard D. Thompson', and I have been given to understand (not by aforementioned followers of course) that no such person existed, let alone that he was attached to the Officer Separation Center in San Francisco. However there seems to have been a Thompson active in the US Navy, nicknamed 'Snake' Thompson and possibly attached to the Medical Corps, who was gathering intelligence in Japan around 1911. Hubbard claims to have met this person around 1923.

Another point of divergence of the suspected bogus Notice with the real Notice is that the bogus Notice mentions in section 17 22 Sept. 41 rather than 24 November 1941.

Now the service record of the individual (which I received earlier through an appeal on the FOIA) says that there were two periods of active duty, one 22 SEP 41-06 OCT 41, and the next one 24 NOV 41-16 FEB 46. The individual was in the Officer Separation Center, San Francisco, on 05 DEC 45-06 DEC 45 according to his service record.

The above may serve as a motivation for my requests, appealing to the Freedom of Information Act:

1. May I have a copy of the entire Notice of Separation, showing sections 1 through 48?
2. Is there any document that was issued to L.R. Hubbard at the end of his first period of active service, i.e. around October 6, 1941, ascertaining the end of his active duty, and if so, may I receive a copy of that document?
3. Can you provide me with an authoritative answer to the question of whether a Howard D. Thompson was in the U.S. Navy around 1945 and if so, was he attached to the Officer

Separation Center of San Francisco?

4. Do you have any record of a navy officer Thompson who was on an intelligence mission in Japan around 1911? His full name, rank and birth year would suffice, but any more information would be welcome, such as: was he in the Medical Corps and/or was he in 1923 in Washington.

Sincerely yours,

LOCATION OF MILITARY RECORDS

The various categories of military service records are described in the chart below. For each category there is a code number which indicates the address at the bottom of the page to which this request should be sent.

- Health and personnel records.** In most cases involving individuals no longer on active duty, the personnel record, the health record, or both can be obtained from the same location, as shown on the chart. However, some health records are available from the Department of Veterans Affairs (VA) Records Management Center (Code 11). A request for a copy of the health record should be sent to Code 11 if the person was discharged, retired, or released from active duty (separated) on or after the following dates: ARMY--October 16, 1992; NAVY--January 31, 1994; AIR FORCE and MARINE CORPS--May 1, 1994; COAST GUARD--April 1, 1998. Health records of persons on active duty are generally kept at the local servicing clinic, and usually are available from Code 11 a week or two after the last day of active duty.
- Records at the National Personnel Records Center.** Note that it takes at least three months, and often six or seven, for the file to reach the National Personnel Records Center (Code 14) in St. Louis after the military obligation has ended (such as by discharge). If only a short time has passed, please send the inquiry to the address shown for active or current reserve members. Also, if the person has only been released from active duty but is still in a reserve status, the personnel record will stay at the location specified for reservists. A person can retain a reserve obligation for several years, even without attending meetings or receiving annual training.
- Definitions and abbreviations.** DISCHARGED--the individual has no current military status; HEALTH--Records of physical examinations, dental treatment, and outpatient medical treatment received while in a duty status (does not include records of treatment while hospitalized); TDRL--Temporary Disability Retired List.
- Service completed before World War I.** The oldest records pertaining to military service veterans are at the National Archives, for service that was completed before the following dates: ARMY--enlisted, 11/1/1912, officer, 7/1/1917; NAVY--enlisted, 1/1/1886, officer, 1/1/1903; MARINE CORPS--1/1/1905; COAST GUARD--1/1/1898. National Archives Trust Fund (NATF) forms must be used to request these records. Obtain the forms by e-mail from inquire@nara.gov or write to the Code 6 address.
